Dear Students,

I write to inform you that a team from The European University Association (EUA) will be visiting BU during the second semester to carry out a general evaluation of the management and organisation of the University. The first site visit will be 14-17 March 2006.

In preparation for this visit, we are being asked to conduct a self evaluation exercise and submit a report to the team. The Vice Chancellor has appointed a Steering Committee consisting of nine members of the faculty and two student representatives to facilitate this self-evaluation process.

Your views, as students, on the quality of the education you are receiving are very important to us. We intend to provide opportunities to listen to you by forming “focus groups” in each faculty, and other methods.

Please let us hear from you, so that as one family, we can together make BU a better place for all.

Bro. Thomas Lavin
Chairman
EUA Self-Evaluation Steering Committee
